Complete Our Online Survey

— And —

Receive a \$50 Check

A \$50 check for filling out a ten-question survey? That's right. We're so interested in learning more about the accounting practices of Microsoft Great Plains users like you that we're offering a cash reward for answering a few simple questions.

It's an online survey that typically only takes about 10 minutes to complete. Access it online at any time of day, before November 10, 2006, and answer the ten questions. As a thank you for your participation, we'll mail you a \$50 check. Not a credit or a corporate rebate, but a check in your name.

Now that's a good return on investment. But not as good as the ROI our electronic payment services provide.

Fidesic is the leader in automating business-critical financial processes for midsize companies. Fidesic Payables – our accounts payable solution exclusively for Great Plains users – is an electronic payment service that allows midsize companies to automate many of the time-consuming tasks associated with paying invoices.

It's a Web-based service that enables you to automate the inputting of invoices, streamline the payment-approval process, make payments electronically, take advantage of early-payment discounts, guard against fraud, cut down on calls from frustrated vendors and employees, and much more. It's a huge saver of time and money.

In fact, most companies that automate their accounts payable process achieve a full return on their investment within a matter of months. What's more, you can implement the features of Fidesic Payables bit by bit, saving more and more money each time you automate more of the process.

But enough about our electronic payment service. If you want, you can read more about it online, after you take the survey. But act quickly. The \$50 reward for taking the survey is only available until November 10, 2006. And it's limited to one participant per company. See the enclosed card for all the details.

I look forward to hearing from you.

Sincerely,

Jon Matsuo, Chief Executive Officer

P.S.

Here's something else I suggest you try. Call 1-866-572-9669 and ask one of our representatives to walk you through an online demonstration of our electronic payment service. The savings in time and money it provides will surprise you. Go ahead, there's absolutely no obligation on your part.

FIDESIC SURVEY

For Users of
Microsoft
Great Plains

Participants
Receive

\$50

We're interested in your answers to ten simple questions about the accounts payable process at your company.

As a thank you for your participation, we'll mail you a \$50 check. Not a credit or a corporate rebate, but a check in your name.

Don't delay. Offer ends November 10, 2006.

Details Inside >>>>

Our online survey typically only takes about ten minutes to complete. It's simple. Access the survey form at the Internet address listed below, enter your company code (also listed below) and answer the ten questions.

Survey URL: www.Fidesic.com/survey

Your Company Code: 1432145

As a reward for completing the survey, we'll mail you a \$50 check – using the name and corporate mailing address as entered on the survey form. Only one participant per company, please.
